Dear Friends,

I'm proud to announce that I'm running for Mayor of the City of Bridgeport. As the most qualified candidate to lead this city I will need the support of people who realize as I do that jobs and lower taxes are the basis for this city's rebirth.

This year, a variety of professional politicians and newcomers are running for the office of Mayor. I firmly believe this presents an opportunity for me to showcase my ability. With a background in Industry at Sikorsky Aircraft of more than 29 years and as someone who has paid taxes in Bridgeport my entire adult life, I've developed a strategy for Bridgeport based on good common sense, the concept of fair government and the idea of lowering taxes by making Bridgeport business friendly.

While politicians promise what they can do for Bridgeport residents, I believe that the future of Bridgeport can best be determined by its people. Bridgeport will be a city that attracts business with an efficient clean government. Business then will provide jobs for people who can then provide for their families, encouraging education while paying a fair tax rate.

To accomplish these goals I'm asking for your help. Your contribution of time or money will help us realize a great victory for Bridgeport. You have my commitment that I will do all in my power to reach our goals of building an effective business friendly government and making Bridgeport a city you can be proud of.

On November 6th Vote for Mike Garrett for Mayor of Bridgeport.
